

1 Anda gor sas E Vorba, ai E Vorba sas le Devlesa, ai E Vorba sas O Del.
2 Wo anda gor sas le Devlesa. **3** Wo kerdia swako fielo, ai kanchi so kerdilo nas kerdo bi leste. **4** Ande leste sas o traio, ai o traio sas e vediara le manushenge. **5** E vediara strefial ando tuniariko, ai o tuniariko shoxar chi mudardia e vediara. **6** Sas iek manush tradino katar O Del, lesko anav sas Iovano. **7** Avilo o Iovano te phenel le manushenge pai vediara. Kashke savorhe te pachanape pala leste. **8** O Iovano nas e vediara, numa wo sas tradino te phenel pai vediara. **9** Kadia chachi vediara avel ande lumia te del vediara ka swako manush kai avela ande lumia. **10** Wo sas ande lumia, ai e lumia sas kerdi pala leste numa e lumia chi zhanglia les. **11** Wo avilo ka peske, ai leske chi premisarde les. **12** Uni premisarde les ai pachaipe ande leste; wo dia len e putiera te aven shave Devleske. **13** Kodola kai arakhadile, na anda rat, chi andai voia le statoski, chi andai voia le manusheski, numa katar O Del. **14** Ai E Vorba kerdile stato ai beshelas mashkar amende. Ame dikhliam lesko barimos, pherdo mishtimasa ai chachimasa, kadia sas o barimos le ieke Shavesko kai avilo katar O Dat. **15** O Iovano phendia pa leste, phenelas, "Kado si kai phendem, 'Wo avela pala mande, numa wo si mai baro mandar, ke wo sas mai anglal arakhadilem.'" **16** Ai ame savorhe liam anda lesko baro lashimos. Mishtimos pe mishtimos. **17** Ke o zakono sas dino katar o Moses, numa o mishtimos ai o chachimos avilo katar O Jesus Kristo. **18** Khonik shoxar chi dikhlia le Devles, ferdi o iek Shav kai si le Dadesa, ai wo si kai kerdia te zhanas les. **19** Ai kodia si o ramomos le Iovanosko, le Zhiduvuria trade le bare rasha ai le Levituria andai Jerusalem te phushen les, **20** "Tu kon san?" Ai wo phendias lenge ai chi garadia kanch, phenelas, "Chi sim O Kristo." **21** Ai won phushen les, "Kon san tu, Tu san o Elijah?" ai wo phendia, "Chi sim!" Antunchi won phushle, "Tu san o profeto?" ai wo phendia, "Nichi." **22** Porme phende leske, "Kon san tu? Te das atweto kodolenge kai tradine ame. So phenes pa tute, kon san?" **23** O Iovano phendia, "Me sim o glaso kodoleske kai tsipil ande pusta, "Vorton o drom

le Devlesko" sar phendia o Isaiah o profeto." **24** Won kai sas tradine, sas anda le Farizeanuria. **25** Ai mai phushle les, phenenas, "Antunchi, sostar boles te chi san e Messiah vai chi o Elijah, vai chi o profeto?" **26** O Iovano dia le atweto, phenelas "Me bolav ando pai, numa mashkar tumende, si vari kon kai chi zhanen. **27** Wo si kai avela pala mande, chi sim dosta lasho te phutrav le doria leske papuchenge." **28** Kadala dieli kerdionas ando Bethany inchal o Jordan, kai o Iovano bolelas. **29** Pe terharin o Iovano dikhlia O Jesus sar avelas leste, ai phendia, Dikh! O Bakriorho le Devlesko, kai lel e bezex le lumiako! **30** Pa kado si kai phendem, "Pala mande avel iek manush kai si mai baro mandar, ke wo sas mai anglal mandar." **31** Me chi zhanavas les; numa avilem te bolav le paiesa, kashke sai Israel te zhanel les." **32** Porme o Iovano phendia, "Dikhlem O Swunto Duxo sar hulelas anda cheri sar iek gulumbo, ai beshlo pe leste. **33** Ai chi zhanavas les, numa kodo kai tradia ma te bolav ando pai, phendia mange, "Pe kodo kai dikhesa O Swunto Duxo te hulela, ai te beshela pe leste, kodo si kai bolel le Swuntone Duxosa." **34** Ai dikhlem, ai phenav tumenge ke wo si O Shav le Devlesko." **35** Pe terharin o Iovano mai sas pe kodo than duiensa anda leske disipluria. **36** Kana dikhlias O Jesus nakhelas, wo phendia, "Katse si O Bakrorho le Devlesko!" **37** Le dui disipluria ashunenas le vorbi kai phendia, ai linepe pala Jesus. **38** Porme O Jesus boldinisailo ai dikhlia ke avenas pala leste, ai phushlia len, "So roden?" Ai won dine atweto, "Xazhainona, kai beshes?" (xazhainono znachil o manush kai sicharel). **39** Phendia lenge, "Aven ai dikhen." Won avile ai dikhle kai beshelas, beshlo lesa kodo dies. Kodo sas pala miazutso karing le shtar chasuria. **40** O Andre, phral le Simonosko Petri, sas iek andal dui manush kai ashundia so phendia o Iovano, ai liape pala Jesus. **41** Strazo o Andre arakhlia peske phrales o Simon, ai phendia leske, "Arakhliam e Messiah,," (E vorba znachil "Kristo.") **42** Ai o Andre angerdia o Simon karing O Jesus. 1 Trin dies pala kodia sas iek abiav ando gav kai bushol Cana, ando them Galilee; ai e dei le Jesusoski sas kotse. **2** Ai vi O Jesus sas akhardo peske disiplonsa ka abiav. **3** Ai kana mangle mol, e dei le Jesusoski phendia leske, ma nai le mol. **4** O Jesus phendia lake, "Zhuvlio, so si mashkar tute ai mande, murho chaso inker chi avilo." **5** Leski dei phenel le slugenge, "Keren so godi phenela tumenge." **6** Kotse sas shov phiria chikake, thodinesas te vuzharenpe le Zhiduvuria, swako phiri sai zhalas bish tai pansh galonuria vai iek shel litre pai. (Thodinesas kotse te halaven penge vas te keren sar lenge zakono phenel.) **7** O Jesus phendia lenge, "Peren le phiria le paiesa." Line le slugi ai pherde le zhando mui. **8** O Jesus phendia lenge, "Len akana ai angeren ka o dat la shako kai kerdia o abiav," ai ingerde leske. **9** Kana o dat le shako zumadia o pai kai kerdilosas mol, wo chi zhanelas katar avelas kodia mol, numa le slugi kai linesas anda kodo pai zhanenas mishto. Porme o dat la shako akhardia le manushes kai ansurilaspe. **10** Ai phenel leske, "Swako manush del e mai lashi mol mai

anglal; ai porme kana savorhe machile, del e mai chorhi, numa tu garadian e lashi mol zhi akana." **11** Kado sas o pervo miraklo kai kerdia O Jesus ando gav kai bushol Cana ando them Galilee. Kotse sikadia pesko putiera, ai leski disipluria pachaipe ande leste. **12** Pala kodia O Jesus, ai leski dei, ai leske phral, ai leske disipluria gele lesa ando foro kai bushol Capernaum, ai beshle xantsi dies. **13** Ai o dies O Baro le Zhidovongo pasholas, ai O Jesus gelo ando Jerusalem. **14** Ai arakhlia ande tampla manushen kai bichinenas guruven ai bakrian ai gulumburia, ai vi manush kai parhуvenas love beshenas kotse. **15** Ai kana O Jesus lia shelo ai kerdia peske bicho anda leste, wo gonisardia savorhen avri andai tampla ai vi le bakrian, ai le guruven, ai dia muial le skafidia kodolenge kai parhуvenas le love. **16** Ai phendia le manushenge kai bichinenas le gulumbon, "Len kadala dieli katsar! Na keren anda kher murhe Dadesko bazari." **17** Ai leske disipluria dinepe goji ke ramomesas ande Vorba le Devleski, "De drago kai si mange cho kher, Devla, phabol ande mande sar ek iag." **18** Porme le Zhiduvuria phushle les, "Che miraklo sai keres tu te sikaves amenge, ke si tu putiera te keres kadia?" **19** O Jesus phendia lenge, "Peraven kadia tampla, ai ande trin dies te vazdav la." **20** Le Zhiduvuria phende leske, "Trobulsardia shtarvardesh tai shov bersh te keras kadia tampla! Ai tu phenes ke ande trin dies vazdes la palpale?" **21** Numa O Jesus delas дума pai tampla peske statosko. **22** Sa anda kodia O Jesus zhuvindisailo andai martia ka traio, leske disipluria dine pe goji ke phendiasas kadia, ai won pachanaspe o ramomos ai e vorba kai phendiasas O Jesus. **23** Ande vriama kai O Jesus sas ando Jerusalem ka dies O Baro le Zhidovongo, but narodo pachanaspe ando lesko anav, kana dikhenas le mirakluria kai kerdia. **24** Numa O Jesus chi jinelas pe lende, ke wo zhanelas len savorhen. **25** Ai chi trobulas vari kon te phenel leske pa manush; ke wo zhanelas korkorho si si ando manush.

1 Sas iek manush anda le Farizeanuria kai busholas Nicodemus, iek baro le Zhidovongo. **2** Ai avilo andek e riate ka Jesus ai phendia leske,

"Xazhainona, ame zhanas ke O Del tradia tu te sichares amen; ke khonik nashti kerel kadala mirakluria kai keres, te nai O Del kodolesa." **3** O Jesus dia les atweto ai phendia leske, "Chachimasa, chachimasa, phenav tuke, khonik nashti dikhela o rhaio le Devlesko te na kerdiola aver data." **4** O Nicodemus phendia leske, "Sar dashtilpe iek manush te kerdiol aver data kana si phuro? Sai mai zhal palpale ando ji peska dako, ai te kerdiol aver data?" **5** O Jesus phendia, "Chachimasa, chachimasa, phenav tuke, khonik nashti zhal ando rhaio le Devlesko te na kerdiola anda pai ai anda Swunto Duxo. **6** So kerdilo katar o stato, stato si; ai so kerdilo katar O Swunto Duxo, Swunto Duxo si. **7** Te na chudis tu kai phendem tuke, ke trobul te kerdion aver data. **8** E barval phurdel kai woi mangel, ai ashunes o shumo, numa tu chi zhanes katar avel, ai chi kai zhal; sakadia si swako manush kai kerdilo anda Swunto Duxo." **9** O Nicodemus phendia leske, "Sar kadia diela sai kerdiol?" **10** O Jesus dia les atweto ai phendia leske, "Tu san ek gazda anda Israel, ai chi zhanes kadala dieli? **11** Chachimasa, chachimasa, phenav tuke, ame mothas so zhanas, ai sam marturia anda so dikhliam, numa tume chi primin amari vorba. **12** Tume chi pachan man kana phenav tumenge pal dieli la phuviake, sar pachan tume kana phenava tumenge pal dieli le rhaioske? **13** Khonik chi anklisto ando rhaio, ke ferdi kodo kai hulisto tele anda rhaio, O Shav le Manushesko kai si ando rhaio." **14** Ai sar o Moses vazdia o sap ando pusta, sa kadia trobul O Shav le Manushesko te avel vazdino. **15** Kashke kon godi kai pachalpe ande leste te na xaiil, numa avel les o traio le rhaiosko. **16** O Del drago sas e lumia, ai wo tradia peske ieke shaves, kashke kon godi kai pachalpe ande leste te na xaiil, numa te avel les o traio kai chi mai getolpe. **17** Ke O Del chi tradia peske shaves ande lumia te del kris la lumia, numa e lumia te sai avel skeptime lestar. **18** Kodo kai pachalpe ande leste, nai kris pe leste; numa kodo kai chi pachalpe, e kris vunzhe si pe leste, ke chhi pachaipe ando anav le ieke Devlesko Shav. **19** Katar avel e kris, si ke e vediara avili ande lumia, ai le manush alosarde o tuniariko ke sar e vediara, ke so kerde sas nasul. **20** Ke kon godi kerel o nasulimos nai leske drago e vediara, ai chi avel kai vediara, ke chi mangel te dichol leske bezexa. **21** Numa kodo kai kerel so si vorta avel kai vediara, ke lesko lashimos sai dichol, ke

kerdiol lo pala Del. **22** Pala kodia O Jesus ai peske disipluria avile ando them kai busholas Judea; ai kotse beshlo lensa, ai bolelas. **23** Ai vi o Iovano bolelas ando Enon pasha Salim, ke sas kotse but pai, ai avenas kotse le manush te bolin. **24** Ke o Iovano nas inker thodino ande temnitsa. **25** Antunchi uni andal disipluria le Iovanoske ai ek Zhidovo marenas mui pa vuzhimos. **26** Ai avile ka Iovano, ai phende leske, " Xazhainona, kodo kai sas tusa inchal o Jordan, pa kudo kai dian amenge дума? Eta, wo bovel, ai savorhe zhan leste!" **27** O Iovano phendia, "Khonik nashti avel les vari so te na avela leske dino katar O Del. **28** Tume san murhe marturia, ke phendem, "Chi sim o Kristo, numa sim tradino angla leste." **29** Kodo kai si les e rhomni si o ternaxar; numa o vortako le ternaxaresko, kai beshel pasha leste ai ashunel les, raduilas but pala glaso le ternaxaresko: me sim pherdo kadia raduimasko. **30** Wo musai bariol, ai me musai teliuvav." **31** Kodo avel katar opral, si opral pe savorhe; kodo kai si la phuviako, la phuviako ashel, ai del дума sar te avino phuviako: kodo kai avel anda rhaio, si opral pa savorhe. **32** Wo phenel so dikhlia ai ashundia, numa khonik chi pachal leske vorbi. **33** Savo kai premisardia so ashundia lestar, kodo preznail ke O Del si chacho. **34** Kodoles kai O Del tradia phenel le vorbi le Devleske; ke O Del chi del les O Swunto Duxo pe musura. **35** O Dat drago le Shaves, ai thodia swako fielo ande leske vas. **36** Kodo kai pachalpe ando Shav si les o traio kai chi mai getolpe: numa kodo kai chi pachalpe ando Shav chi dikhela o traio; numa e xoli le Devleski beshel pe leste.

1 Le Farizeanuria ashunde ke O Jesus kerelas ai bolelas mai but disipluria de sar o Iovano. **2** Numa O Jesus chi bolelas, numa leske disipluria. **3** O Jesus meklia e Judea, ai gelo palpale ande Galilee. **4** Numa trobulars te nakhel pai Samaria. **5** Areslo andek gav ande Samaria kai busholas Sychar, pasha kimpo kai o Iakov diasas ka Josef pesko shav. **6** Kotse sas e xaiin le Iakovoski, O Jesus chino sas katar o phirimos, thodiape pashai xaiin ai beshlo tele: sas karing le desh u dui chasuria. **7** Iek zhuvli andai

Samaria avilo te lel pai; O Jesus phenel lake, "De ma pai te piiav." **8** Ke leske disipluria gelesas ando foro te chinen xabe. **9** Antunchi e zhuvli andai Samaria phendia leske, "Sar tu kai san Zhidovo, manges mandar pai te pes? Ke sim zhuvli andai Samaria. Ke le Zhiduvuria chaches chi brotinas le manushensa kai si andai Samaria. **10** O Jesus phendia lake, "Te zhanglianas tu e podarka le Devleski, ai kon si kodo kai phenel tuke, "De man te piiav;" Tu korkorho manglianas lestar te pes, ai del tu pai zhuvindo." **11** E zhuvli phendia leske, "Gazda, Nai tu kanchi te tsirdes ai e xaiin tele la, katar anesa kodo pai zhuvindo? **12** San tu mai baro katar amaro dat o Iakov, kai dia ame kadia xaiin, ai pilia vi wo, ai leske shave, ai leske zhigeni?" **13** O Jesus phendia lake, "Kon godi pela anda kado pai mai avela trushalo; **14** Numa kado kai pela anda pai kai dava les chi mai avela trushalo; numa o pai ai dava les kerdiole ande leste xaiin paieske kai zhal zhando traio kai chi mai getolpe." **15** E zhuvli phendia leske, "Gazda, de ma kado pai, saxke te na mi avav trushali, ai te na mai avav katse te tsirdav pai anda xaiin." **16** O Jesus phendia lake, "Zha. Akhar che rhomes, ai aida katse." **17** E zhuvli phendia leske, "Nai ma rhom." ai O Jesus phendia lake, "Vorta phenes, ke nai tu rhom, **18** ke sas tu pansh rhom; ai kado kai si tu akana nai cho rhom; chaches so phendian." **19** E zhuvli phendia leske, "Gazda, Dikhav ke tu san profeto. **20** Amare dada rhuginaspe kacha plaiin; ai phenes, si ando Jerusalem o than kai trobul te rhugisavas ka Del." **21** O Jesus phendia lake, "Zhuvlio, o chaso avela, kai chi mai rhugina le Dades chi pe kacha plaiin ai chi ando Jerusalem. **22** Tune chi zhanen kas te rhugin tume; ke o skepimos avel katar le Zhiduvuria. **23** Numa o chaso avel, ai vunzhe avili, kana le chache manush rhuginpe ka Dat ando duxo ai ando chachimos; ke kadia mangel O Dat te rhuginpe le manush. **24** O Del si Duxo, ai kodola kai rhuginpe leste, trobul te rhugin leste ando duxo ai ando chachimos." **25** E zhuvli phendia leske, "Zhanav ke O Messiah avela, kodo kai si O Kristo: Kana avela, Wo sicharel ame swako fielo." **26** O Jesus phendia lake, "Me sim kodo kai dav дума tusa." **27** Pe kadia aresle leske disipluria, ai chudisaile te dikhen sar del дума la zhuvliasa; numa chi iek chi tromailo te phushel les, "So manges latar", vai "Sostar des дума lasa?" **28** E zhuvli meklia peski

vadra, ai gelitar ando gav, ai phenel le manusheske. **29** "Aven, dikhen iek manush kai phendia mange so godi kerdem. Nai kado O Kristo?" **30** Anklisto avri anda foro, ai avile leste. **31** Ande kodia vriama leske disipluria grebinas, phenenas leske, "Gazda, xas vari so." **32** Numa wo phendia lenge, "Si ma xabe te xav kai tume chi zhanen." **33** Le disipluria denas pe дума iek kavres, "Pate andia leske vari kon te xal?" **34** O Jesus phendia lenge, "Murho xabe si te kerav e voia kodoleski kai tradia man, ai te getov leske buchi. **35** Chi phenen tume, "Si shtar shon zhi kai chiden o jiv?" Ashun! phenav tumenge, phutren che iakha, ai dikhen le kimpuria; ke vunzhe o jiv gatalo te avel chidino. **36** Kodo kai chidel lel peske pochin, ai chidel fruti pala o traio le rhaiosko; ai kodo kai shudel o jiv ai kodo kai chidel raduinpe andek than. **37** Kadala vorbi si chache, iek shudel o jiv, ai kaver chidel o jiv. **38** Tradem tume te chiden so chi shudian, aver kerde buchi. Aver bariarde ai tume avile te chiden lenge fruti." **39** But Samaritanuria kodole gaveske pachanaspe ando Jesus pala kacha viasta chachi la zhuvliaki, woi phendia, "Phendia mange so godi kerdem." **40** Ai vi le Samaritanuria avile ka Jesus, ai mangenaspe lestar te beshel pasha lende: wo beshlo dui dies. **41** Ai mai but narodo pachanaspe ando Jesus pala leske vorbi. **42** Ai mothonas la zhuvliake, "Akana pachas ame, nai ke pala so tu phendian amenge, ke ame ashundiam les ame, ai zhanas ke chaches wo si O Kristo, O Skepitori la lumiako." **43** Pala kodola dui dies O Jesus gelotar kotsar te zhal ande Galilee. **44** Ke O Jesus phendiasas, "Ke ek profeto nai jindo ande pesko them." **45** Kana areslo ande Galilee, le Galilenuria premisarde les, kai dikhle so godi O Jesus kerdiasas ando Jerusalem kana sas e pachiv; ke vi won sas ka kodia pachiv. **46** O Jesus avilo palpale ando gav kai bushol Cana andai Galilee, kai parhudiasas o pai te kerdiol mol. Sas ando Capernaum iek fitsiri le amperatosko, kai sas lesko shav naswalo. **47** Kana ashundia ke O Jesus avilo andai Judea ande Galilee, gelo karing leste, ai mangliape lestar te avel te sastiarel leske shaves, kai si po merimos. **48** Porme O Jesus phendia leske, "Te na dikhena mirakluria chi pachan tume, vov si." **49** O fitsiri le amperatosko phendia leske, "Gazda, Aida mande mai anglal te merel murho shav." **50**

O Jesus phendia leske, "Zha khere, cho shav traiil!" Ai kodo manush pachaiape e vorba kai O Jesus phendia leske, ai gelo. **51** Inker po drom sas te zhal peste khere, kana leske slugi avile ande lesko drom, ai mothon leske. "Cho shav traiil." **52** Ai wo phushel len, "Ka che chaso sastilo?" ai won phende leske, "Arachi karing o pervo pala miatsuzo o zharo gelotar." **53** Antunchi o dat zhanelas ke sas kodo chaso kana O Jesus phendiasas leske, "Cho shav traiila." Wo ai savorhe ando lesko kher pachanaspe ando Jesus. **54** Kado sas o duito miraklo kai kerdia O Jesus kana avilo andai Judea ande Galilee.

1 Pala kodia sas iek pachiv le Zhidovongi; ai O Jesus gelo ando Jerusalem. **2** Ai ando Jerusalem sas pasha wudar le bakriango, sas iek balta paieske panshe wudarensa, ai akharenas la Zhidovisko Bethesda. **3** Andre sas but naswale kai beshenas tele, korhe, bange, ai paralitikuri azhukerenas te mishtil o pai. **4** Ke ek angelo le Devlesko hulelas pe vriama ai mishtilas o pai; o pervo naswalo kai hulelas ando pai kana sas buntuime, sastiolas anda pesko naswalimos. Savestar godi sas. **5** Kotse sas ek manush naswalo de trenda ai oxto bersh. **6** Kana O Jesus dikhlia les tele, ai zhanglia ke sas naswalo de dumult, phushlia les, "Kames te aves sasto?" **7** O naswalo manush phendia leske, "Gazda, nai khonik katse te shudel ma ando pai kana si buntuime; ai kana avav, aver hulel tele mai anglal mandar. **8** Jesus phendia leske, "Wushti, le cho than ai phir." Ai strazo kodo manush sastilo, wo lia pesko than ai phirdia. **9** Numa sa kodia diela kerdili Savatone. **10** Le Zhiduvuria phende le manusheske kai sastilo, "Adies si Savato, ai nai slobodo tuke te angeres cho than." **11** Wo phendia lenge, "O manush kai sastiardia ma, phendia mange, "Le cho than, ai phir." **12** Antunchi phushle les, "Kon si o manush kai phendia tuke, te les cho than ai phires?" **13** Numa o manush kai sastilo chi zhanelas o anav kodolesko kai sastiardia les, ke O Jesus gelotar ke sas but narodos ande kodo than. **14** Pala kodia, O Jesus arakhlia les ande tampla, ai phenel leske, Ashun! Sastilian anda cho naswalimos, na mai ker bezexa akana. Te

na mai kerdjol tuke vari so mai nasul. **15** Kodo manush gelotar, ai phendia le Zhidovonge ke O Jesus sastiardia les. **16** Sa anda kodia le Zhiduvuria chinuisarde Jesus, ai rodenas te mudaren les, ke kerdia kodia o dies Savatone. **17** Numa O Jesus phendia lenge, "Murho Dat kerel buchi sorho dies, ai vi me kerav bichi." **18** Pa kadala vorbi le Zhiduvuria rodenas mai but te mudaren les; na ferdi ke kerdia kodia Savatone, numa ke phendia ke O Del si lesko Dat, ai wo kerdilo iek fielo sar O Del. **19** O Jesus phendia lenge, "Chachimasa, chachimasa, phenav tumenge, O Shav nashti kerel kanchi pestar, numa kerel so dikhel O Dat kerel; so godi kerel O Dat, vi O Shav kerel. **20** Ke O Dat drago le Shaves, ai sikavel leske so godi kerel. Ai O Dat sikavela leske mai bare buchi sar kadala. Chudina tume. **21** Ke sar O Dat wushtiaivel le mulen, ai del le o traio, saikfielo O Shav del o traio kodolen kai mangel wo. **22** O Dat chi kerel kris pe khanikaste, numa dia e putiera le Shaves te krisinil. **23** Kashte savorhe te luvudin le Shaves, sar luvudin le Dades. Kodo kai chi luvudil le Shaves, chi luvudil le Dades kai tradia les. **24** "Chachimasa, chachimasa, phenav tumenge, Kon godi kai ashunel murhi vorba, ai pachalpe ande kodo kai tradia ma, avela les o traio kai chi mai getolpe, ai chi avela pe leste kris; numa nakhlo anda merimos ai gelo ka traio kai chi mai getolpe. **25** "Chachimasa, chachimasa, phenav tumenge, O chaso avela, ai vunzhe avili, kana le mule ashunena o glaso le Shavesko le Devlesko; ai kodola kai ashunena les traiina. **26** Ke sar O Dat si les o traio ande peste, saikfielo wo kerdia peske Shaves te avel o traio ande peste. **27** Ai dia peske Shaves e putiera te kerel e kris, ke wo si O Shav le Manushesko. **28** Na chudin tume ke o chaso avela, ke sa le mule kai si andel le greposhevuria ashunen lesko glaso. **29** Ai anklena avri andal greposhevuria, kodola kai kerde mishto anklena avri te len o traio kai chi mai getolpe. Ai kodola kai kerde o nasulimos, wushtena te nakhen pe kris te zhan ando iado. **30** "Nashti kerav kanchi anda mande. Sar ashunav, kerav kris pala so phenel mange O Del, ai murhi kris si vorta, ke chi rodav te kerav so mangav anda mande, numa ferdi so mangel te kerav kodo kai tradia ma. **31** Te mothava pa mande, so phenav nashti te avel chachimos. **32** Numa aver si kai phenel pa mande, ai me zhanav le vorbi kai wo mothol pa mande si o chachimos. **33** "Tume

tradian marturia ka Iovano o baptisto, ai wo phendia tumenge o chachimos. **34** Man, chi trobul le vorbi katar le manushen te phenel ke vorta sim, numa phenav kadia, saxke te sai aven skepime. **35** O Iovano sas sar ek lampo kai phabolas ai sar e vediara kai strefialas; ai tume manglian te raduin tume xantsi vriama ande leski vediara. **36** Numa, man si man ek mai baro chachimos pa mande sar o Iovano, me kerav e buchi kai murho Dat dia ma te kerav, kodola bucha kai kerav sikaven pa mande ke O Dat tradia ma. **37** Ai O Dat kai tradia ma, phenel vi wo pa mande. Ai tume chi aven mande, te avel tumen o traio. **41** Chi rodav o luvudimos andal manush. **42** Numa me zhanav tumen; ke nai dragostia le Devleski ande tumende. **43** Avilem ando o anav murhe Dadesko, numa chi premisardian ma; numa te avela aver ande pesko anav, premisaren les. **44** Drago tumenge te aven luvudime iek avrestar, numa chi roden o luvudimos te avel ferdi katar O Del; sar sai pachan tume? **45** Na gindin ke dosharava tumen ka murho Dat. Si ek kai dosharela tumen, kodo si o Moses kai thodian tumaro pachamos ande leste. **46** Te pachaianas tume chaches ando Moses, pachadian vi ande mande; ke wo ramosardia pa mande. **47** Numa te chi pachana tume so ramosardian, sar sai pachan murhe vorbi?"

Numa so si kadala pe kado but narodo?" **10** O Jesus phendia lenge, "Antunchi keren te beshen savorhe tele. Kotse sas but char. Le manush beshle tele. Won sas pashte panzh mi mursh. **11** O Jesus lia le manrhe, naisisardia le Devles, ai O Jesus dia le kal disipluria, ai leske disipluria dia le ka narodo kai beshelas tele, ai sakadia le masheske, ai sas le sode won mangle. **12** Kana xale dosta savorhe, wo phenel peske disiplonge, "Chiden le kotora kai ashshile; te na xasavol kanchi." **13** Le disipluria chide le desh u dui shkonitsi pherdesas le kotorensa kay ashshile katar le panzh manrhe kana savorhe xale. **14** Le zhene kai dikhle o miraklo kai kerdia O Jesus, phende "Kado si o chacho profeto kai trobulas te avel ande lumia!" **15** Ai O Jesus zhanelas ke si te aven te len les pe zor, te keren les amperato, gelotar po plai kokorho. **16** Kana e riat avili, leske disipluria gele karing e maria. **17** Ankliste ande ek chuno, ai thodepe te nakhen o pai palpale karing o Capernaum. Akana sas tumiariko, ai O Jesus inker chi avilo lende. **18** Ai e maria buntuime sas ke barval phurdelas zurales. **19** Kana kerdesas trin vai shtar maili vai pansh vai shov kilometre po pai ando chuno. Ai ke O Shav le Manushesko dela tumenge; ke O Del, O Dat, thodia pe leste o semno leska putierako." **28** Antunchi won phende leske, "So trobul te keras, te keras e buchi maladi angla Del?" **29** O Jesus phendia lenge, "Kadia si e buchi le Devleski, te pachan tume ande kodo kai wo tradia." **30** Phen leske, "Che semno la putierako sikaves tu, kashte te dikhas, vai pachas ame ande tute? So keres tu?" **31** Amare dada xale o manrho ande pusta; sar si ramome, wo dia le manrho anda cheri te xan." **32** O Jesus phenel lenge, "Chachimasa, chachimasa, phenav tumenge, O Moses chi dia tume o manrho anda cheri; numa murho Dat del tumen o chacho manrho anda cheri. **33** Ke o manrho kai del O Del, kodo si kai hulel anda rhaio, ai del traio la lumiako." **34** Won phenen leske, "Gazda, de ame kodo manrho sagda." **35** O Jesus phendia lenge, "Me sim o manrho le traiosk; kodo kai avela mande shoxar chi avela bokhalo; kodo kai pachal ande mande shoxar chi avela trushalo." **36** Numa phendem tumenge, "Tume dikhlian ma numa chi pachan ma. **37** So godi murho Dat del ma avela mande. Ai kodales kai avela mande shoxar chi dava avri. **38** Ke hulistem anda rhaio, te kerav e voia kodoleski kai tradia ma, ai na murhi voia. **39** Ai kadia si e voia le Dadeski kai tradia ma; te na xasarav chi iek anda kodola kai dia ma, numa te vushtiaavav le savorhen ka traio ka mai paluno dies. **40** Ai kadia si leski voia, ke kon godi dikhela le Shaves, ai pachalape ande leste, avela les o traio kai chi mai getolpe; ai vushtiaavava le ka traio ka paluno dies. **41** Le Zhiduvuria line xoli po Jesus, ke phendia lenge, "Me sim o manrho kai hulisto anda rhaio." **42** Pate won phende, "Nai wo O Jesus, o shav le Josefesko, ai zhanas leske dades ai leska da? Te si vari kon kai xala anda kadia manrho, traiila sagda. Ai o manrho kai dava si murho stato, ai dava les te avel o traio la lumiako." **52** Pe kadia le Zhiduvuria denas pe duma mashkar pende, phenenas, "Sar sai wo del amen pesko stato te xa?" **53** O Jesus phendia lenge, "Chachimasa, chachimasa, phenav tumenge, te na xana o stato katar O Shav le Manushesko, ai te na pena lesko rat, chi avela tumen o traio ande tumende. **54** Savo kai xala murho stato, ai pela murho rat avela les o traio le rhaiosko, ai vushtiavava les ka traio le rhaiosko o paluno dies. **55** Ke murho stato si chacho pravarimos, ai murho rat si chacho pimos. **56** Savo kai xal murho stato ai pel murho rat traiil ande mande ai traiiv ande leste. **57** O Dat kai tradia ma zhuvindo lo, ai traiiv anda leste sakadia, kodo kai xal murho stato traiila anda mande. **58** Kado si o manrho kai hulisto anda rhaio; nai sar tumare phurane dada kai xale o manrho ande pusta, ai mule. Kon xala kado manrho traiila sa data. **59** O Jesus phendia kadala vorbi kana sicharelas ande synagogue ando Capernaum. **60** But anda peske disipluria, kana ashunde kadia, phende, "Kadala vorbi si trutno. Kon sai ashunel le?" **61** O Jesus haliardia ande peste ke leske disipluria denas pe duma mashkar pende pa kado divano, anda kodia phendia lenge, "Dukhavel tumen so ashundian?" **62** So keren tume kana dikhena ke O Shav le Manushesko anklel kotse kai sas mai anglal? **63** Le Devlesko Duxo del o traio: o stato chi mol kanchi. Ai iek anda tumende si iek beng!" **71** Wo delas дума pa Judas Iscariot o shav le Simonosko. Ke wo sas kai trobularas te purhil les, iek andal desh u dui.

pesko barimos: numa kodo kai rodel o barimos kodolesko kai tradia les, kodo si chacho, ai nai xoxaimos ande leste. **19** O Moses dia tume o zakono? Numa khonik anda tumende chi keren o zakono. Sostar roden tume te mudaren ma?" **20** Le manush phende leske, "Tut si tu iek beng ande tute! Kon rodel te mudarel tu?" **21** O Jesus phenel lenge, "Ker dem iek diela, ai savorhe chudisailian. **22** Ke o Moses dia tumen o zakono te shinen pe murshen (na ke avel katar o Moses, numa katar tumare phure), ai tume shinen ieke manushes po dies O Savatone. **23** Te sai shinen ieke manushes po dies O Savatone, te phagen o zakono le Mosesosko. Del duma angla savorhenge, ai khonik chi phenel leske kanchi! Amborim ke le bare kai poronchin zhanen ke wo si O Kristo? **27** Numa kana O Kristo avela, khonik chi zhanela katar avel, numa ame zhanas katar avel kado manush." **28** Sar O Jesus sicharelas ande tampla, tsipisardia, "Tume zhanen ma, ai zhanen katar sim: ai chi avilem anda mande, numa kodo kai tradia ma wo si chacho, ai tume chi zhanen les. **29** Numa me zhanav les; ke avav lestar, ai wo tradia ma." **30** Antunchi rodenas sar te len les; numa khonik chi thode o vas pe leste, ke lesko chaso chi avilo inker. **31** Numa but mashkar o narodo pachanaspe ande leste, ai phende, "Kana O Kristo avela, sai kerela mai but mirakluria sar kerdia kado?" **32** Le Farizeanuria ashunde ke o narodo mothon kodala dieli pa Jesus; ai le Farizeanuria ai le bare rasha trade penge zhandari te len les. **33** O Jesus phendia lenge, "Me beshav tumensa mai xantsi vriama, ai porme zhavtar karing kodo kai tradia ma. **34** Tume rodena ma, numa chi arakhena ma, ke nashti avena kai zhava." **35** Le Zhiduvuria phenen mashkar pende, "Kai wo zhala kai chi arakhasa les?
